

### From the Principal's Desk

It gives me great pleasure to pen a few words for the 5<sup>th</sup> issue of *DAPON*, the annual newsletter of Duliajan College for the session 2024-2025. This publication not only chronicles the vibrant academic and cultural life of our institution, but also serves as a reflection of our unwavering commitment to excellence.

At Duliajan College, our vision is to foster a centre of higher learning that empowers individuals through quality education, values and innovation. Our mission remains to cultivate critical thinking, inclusivity and a sense of responsibility among students so that they may grow into capable citizens, contributing meaningfully to society.

The past academic year has been particularly remarkable. Our students have consistently excelled in university examinations with several securing top ranks. We take immense pride in the fact that four of our students have successfully cleared the highly competitive JAM (Joint Admission Test for Masters) and secured admission in prestigious institutions of national importance. Additionally, several of our students actively participated in national seminars and workshops on critical topics such as climate change, sustainable development and technological innovation, showcasing their awareness and engagement with contemporary global issues.

Beyond academics, their participation in state and university level debates, sports, literary and cultural competitions has brought laurels to the college.

The college itself continues to grow, with new initiatives like the introduction of digital classrooms, enhanced library resources and various skill development programs. Our faculty remains dedicated to fostering an environment of research and mentorship, ensuring holistic development.

As we continue our journey forward, let us reaffirm our commitment to academic excellence, community service and personal integrity. I congratulate every member of the Duliajan College family for their contributions and look forward to another year of achievements and progress.

**Dr. Lok Bikash Gogoi**  
Principal

### Vision of the College

The college has a vision of imparting value based quality education to the learners. Being situated in a semi urban locality, about 80% of the students hail from rural areas with humble financial and academic background. Therefore, the college undertakes all possible measures to uplift academic as well as extra academic performance of such students. The college also has the vision to be a regional leader in imparting value-based quality education and empowering individuals to become self reliant, caring and responsible global citizens with a lifelong zest for learning and self employment.

### Mission of the College

- To promote a college community, society and nation where spiritual, moral and genuine human values are lived and witnessed.
- To contribute to the transformation of society through openness to reality and living the challenges of being socially conscious and responsible.
- To promote gender equality and empower women to have equal rights, conditions and opportunities and the power to shape their own lives and contribute to the development of the society.
- To promote inter-cultural and inter-religious harmony and communion by promoting genuine dialogue in an atmosphere of respect and openness.

Donor Member	: Mr. Akashdeep Baruah
Guardian Member	: Mr. Bishnu Prasad Gogoi Mr. Jatin Gogoi
Lady Guardian Member	: Mrs. Lonima Gohain Gogoi
Member (VP)	: Mrs. Jyoti Singh Pathak
Member Librarian	: Mrs. Mondira Chutia
Member Non-Teaching	: Mr. Jayanta Phatowali
Member Teacher Representative:	Dr. Arun Roy, Secretary, DCTU and Mrs. Phulajyoti Saikia, Teachers' Representative, DCTU

## Editorial

The National Education Policy (NEP) 2020 marks the first education policy of the twenty-first century in India. This policy focuses on a multidisciplinary approach to education centred around elements like multilingualism and digital literacy. The incorporation of AI in the education system has increased its effectiveness and allowed students and teachers to access, and provide personalized learning platforms, respectively. However, in very recent times, it has also led to a lack of self-dependence and originality. The excessive reliance on AI has posed a threat to skill-based learning, as it has led to a noticeable decline in critical thinking and problem-solving abilities of individuals. Therefore, suitable and appropriate caution holds great importance in making use of the diverse applications of Artificial Intelligence in any field.

The bulletin 'Dapon', as the name signifies, is an optimistic venture to reflect various news, updates, and significant information about the college. It aims to showcase the diverse talents and endeavours of our students, faculty and staff. We thank everyone who has contributed to producing this edition of our college newsletter. Your support and participation are invaluable to us.

**Chittaranjan Gohain**  
Editor-in-chief

## Vice Principal's Message

DAPON - Reflecting our journey, inspiring our future  
Dear Students, Faculty and Readers,

It gives me immense pleasure to share a few words for DAPON 2024-25, our college newsletter whose very name meaning mirror beautifully captures its spirit and purpose.

A mirror does more than reflect appearances; it reveals growth, progress and truth. DAPON serves as a reflection of the vibrant academic and cultural life of Duliagian College a testament to the dedication, creativity and aspirations of our students and faculty.

Each page of DAPON is a moment frozen in time capturing the energy of classrooms, the curiosity of young minds and the evolving story of our institution. As you turn these pages, I encourage you not just to read, but to reflect on where we have come from and the path we are yet to carve.

In an age of rapid change, let DAPON be a space of stillness and clarity, where voices are heard and achievements celebrated. I extend my heartfelt congratulations to the editorial team, contributors and all who made this edition possible.

May this issue of DAPON inspire us all to look within, strive higher, and move forward - together.

Warm Wishes

**Jyoti Singh Pathak**  
Vice-Principal

## From the IQAC Desk

The IQAC of Duliagian College, since its formation in 2005, has actively fostered quality enhancement and institutional progress. During the year 2024-25, the IQAC successfully submitted the Annual Quality Assurance Report (AQAR) of 2023-24, the NIRF report, and the annual report of the college to Dibrugarh University. One of the significant steps taken was the upgradation of the college website, enhancing transparency, accessibility, and user experience. The preparation of AQAR for the year 2024-25 is currently underway.

It gives us immense pleasure that our college is going to publish its annual newsletter DAPON. I sincerely hope this edition meets its purpose and continues to inspire. I convey my sincere gratitude to the editorial board for their dedication to DAPON 2024-2025.

**Dr. Jitumoni Borah**  
Coordinator, IQAC
